AMERICHEM INCREASES PRICES FOR COLOR AND ADDITIVE PRODUCTS

CUYAHOGA FALLS, OHIO (SEPTEMBER 18, 2017) – Americhem Inc., a global provider of color and additive solutions for polymeric products, has announced a global price increase for all color and additive products effective October 1, 2017.

This increase is a result of inflationary adjustments on raw materials, energy, freight and packaging costs.

Americhem account managers will be in contact with customers to discuss the implementation of this price increase.

For more information on Americhem visit www.americhem.com or contact Scott Blanchard at sblanchard@americhem.com.

About Americhem

Americhem is a global organization that delivers custom color and additive solutions for customers seeking superior performance and batch-to-batch consistency for their polymer products. The company specializes in color and additive masterbatches, and single pigment dispersions, all backed by complete technical support that ensures quality, reliability and value. Americhem operates ten manufacturing plants and also maintains representative sales offices around the globe. Central Research & Development facilities and headquarters are located in Cuyahoga Falls, Ohio. For more information visit Americhem.com or call 800.228.3476.
