**AMERICHEM ANNOUNCES APPOINTMENT OF NEW COMMERCIAL VICE PRESIDENT AND
GENERAL MANAGER FOR THE AMERICAS**

CUYAHOGA FALLS, Ohio (FEBRUARY 24, 2015) – [Americhem Inc.](http://www.americhem.com), a global provider of custom color and additive solutions for the polymer and synthetic fibers industries, recently announced the appointment of Matthew J. Miklos as vice president and general manager, commercial for the Americas.

At Americhem, Miklos will work with customers to develop color and additive products that offer innovation, exceptional quality and cost savings. He will lead the company’s sales and marketing teams and will work closely with and oversee Americhem’s research and development staff located at the company’s world headquarters in Cuyahoga Falls, Ohio, and within Americhem’s manufacturing plant network in the Americas.

“Matt brings a wealth of experience from working with customers in the polymer industry,” remarked John Deignan, president of Americhem. “With more than 28 years of engineered polymer industry experience, coupled with key leadership and commercial skills, Matt will assist our customers in partnering with Americhem to bring dynamic products to the marketplace.”

Miklos comes to Americhem from Schneller LLC, a global manufacturer of engineered custom laminates, thermoplastic sheets, and floor coverings for the aviation and transportation industries. He served as the company’s president and held other key executive positions during his tenure. Prior to Schneller, Miklos worked for GE Plastics’ LNP Engineered Plastics Division (now Sabic Innovative Plastics) in a variety of commercial leadership roles. He holds a Bachelor of Arts in business administration from Baldwin-Wallace University (Ohio).
