.@Americhem\_Inc (Suzhou) announces ISO 13485 certification. <http://bit.ly/1ogmGZ7>

**About Americhem**

*Americhem is a global organization that delivers custom color and additive solutions for customers seeking superior performance and batch-to-batch consistency for their polymer products. The company specializes in color and additive masterbatches, and single pigment dispersions, all backed by complete technical support that ensures quality, reliability and value. Americhem operates nine manufacturing plants and also maintains a representative sales office in Luxembourg and Monterrey, Mexico. Central Research & Development facilities and headquarters are located in Cuyahoga Falls, Ohio. For more information visit [Americhem.com](http://Americhem.com) or call 800.228.3476.*

**About Infinity LTL Engineered Compounds**

*Infinity LTL Engineered Compounds, located in Morrisville, Pennsylvania, and Swedesboro, New Jersey, manufactures and sells engineering grade, custom compounded precolored polymer composites to meet the demands of specific customer applications. The company specializes in a wide range of engineered polymers with no minimum order size and provides a high level of technical support and a flexible customer-focused style. The company also offers a wide array of reinforcements, fillers and lubricants that enhance the base resin properties for many engineering resins. For more information, visit [ltlcolor.com](http://ltlcolor.com) or call 800-863-4260.*
