# HEALTHCARE & MEDICAL DEVICES

# SPECIALTY THERMOPLASTIC COMPOUNDS FOR HEALTHCARE APPLICATIONS

### We Offer:

- Full range of biocompatible resins
- Customized material development
- DMF and regulatory support documentation
- Locked formulation and notification of change
- Medical certification compliancy

**Medical Industry Standards** 

# MARKETS & APPLICATIONS

### **Material Benefits:**

- Clear, tinted and opaque pre-colored compounds
- Blends and alloys provide chemical and impact resistance
- Flexible TPEs for instrument overmold to ensure anti-slippage
- Gamma stable compounds for reduced color shift
- Radiopaque compounds for visibility under x-ray and fluoroscopy applications
- Antimicrobials to protect against infection

# MATERIALS & SERVICES

# **IMPROVED OUTCOMES THROUGH UNBIASED MATERIAL SELECTION & SERVICES**

• PEI

• PS

• PSU

• TPE, TPU, TPV

#### **Resin Families**

- ABS
- Acetal
- Acrylic
- HDPE
- LCP
- LDPE
- Nylon (PA6, PA66, PA11, PA12, PA610, PA612, etc.)
- PAEK • PARA • PBT

• PC

• PC/ABS

• PC/PBT

• PC/PET

- PEEK • PET
  - PP
  - PPA
  - PPS PPSU

- Services
- Color Design / Compound Development
- Custom Compounding
- Customer Toll Processing
- Customer Trials
- Flexible Lead Times

## **Special Effects & Performance Technologies**

Antimicrobials

Antistats

- Glass Fiber
- High Specific Gravity • Impact Modifiers
- Carbon Fiber
- Density Modifiers • Flame Retardants
- Laser Welding Additive

• IR Light Management

#### **Americhem® Products**

- ColorFast<sup>™</sup> Engineered Compounds
- ColorRx<sup>®</sup> Medical Compounds
- InStruc<sup>™</sup> Structurally Reinforced Compounds
- InLube<sup>™</sup> Internally Lubricated Compounds
- InElec<sup>™</sup> Electrically Active Compounds
- nShield<sup>™</sup> Antiomicrobial Compounds

- Lubricants / Release Agents
- Stainless Steel Fiber

• No Minimum Order

## **Products Licensed by Solvay**

- Amodel<sup>®</sup> PPA Resin
- AvaSpire<sup>®</sup> PAEK Resin
- Radel<sup>®</sup> PPSU Resin
- Udel<sup>®</sup> PSU Resin
- Xydar<sup>®</sup> LCP Resin

Americhem Engineered Compounds • 20 Progress Drive • Morrisville, PA 19067 • Tel: +1.215.736.1126

- Production in U.S. & China

• Fully Equipped In-House Color & Testing Labs

IQ/OQ/PQ Technical Molding Support

- Radiopacifiers
